CALENDAR OF EVENTS

FEB 7 **Candidates Submit Applications**

The now-suspended candidates submit their applications to stand for election to the Board of Directors, one day before the February 8 deadline.

FEB 10 **CEO Confirms Candidates Eligible**

The CEO confirms the eligibility of all three candidates to run for the Board. They are cleared to stand for election. No disciplinary concerns are raised at this time.

MAR 13 **The Election**

524 members cast ballots on ElectionBuddy, the independent third-party platform chosen by PSIA-W. Four seats were open. The certified results are still [publicly accessible](#). Top 4: Barclay Moore (268), Bryan Martel (252), Brent Boblitt (233), Julie Brown (225).

MAR 20 Suspensions — One Day Before Results

The Board sent suspension letters to five members — including the top two vote-getters and the sitting Board Treasurer. The suspended candidates have stated they received no prior notice of any investigation. The 21-day response deadline was set to April 10 — weeks after election results would be announced and seats assigned.

MAR 21 Altered Results Published

The organization published election results that omitted the top two winners entirely. The 6th place finisher (155 votes) and 7th place finisher (152 votes) were declared “winners” instead of the members the electorate actually chose.

MAR 25 Town Hall Cancelled

The Board cancelled the planned virtual Town Hall “listening session” — the only forum where members could ask questions about the election. No replacement was offered.

MAR 31 First Petition Filed — 154 Signatures at Delivery

154 members signed a formal petition under Bylaws §7.2 demanding a Special Meeting with binding votes — more than three times the 50-signature minimum. The petition continued to collect signatures after delivery, reaching a final count of **184 PSIA members plus 26 community supporters**. [Read Filed Petition →](#)

APR 10 Board Declares Petition “Invalid”

The Board declared the petition “invalid” on undisclosed grounds and announced a non-voting informational forum on April 21 instead. No specific reasons for invalidity were provided.

APR 12 Second Petition Filed — 80 Signatures

APR 21 Verified Complaint Filed in Sacramento Superior Court

Seven plaintiffs — Barclay Moore, Bryan Martel, Alycia Glines, David Achey, Greg Felsch, Blaine Lomen, and Jeff Connors — individually and derivatively on behalf of PSIA-AASI Western Region, filed a Verified Complaint in the Superior Court of California, County of Sacramento against PSIA-AASI Western Region, CEO Marisa Cooper, and Board members Sowmya Subramanian, Neil Bussiere, Caleb Lee, Megan Ochs, Henry Ryerson, and Richard Sheldon.

Six causes of action: (1) Breach of Fiduciary Duty, (2) Violation of Cal. Corp. Code §7341, (3) Violation of Cal. Corp. Code §8330, (4) Violation of Cal. Corp. Code §7510(e), (5) Declaratory Relief, (6) Injunctive Relief. Jury trial demanded. Filed by Daryl Reese Law Group PC.

APR 21 Board's Forum (Non-Voting)

The Board's non-voting "informational meeting." A forum where members cannot vote does not satisfy the legal requirements of Cal. Corp. Code §7511.

LEGAL REFERENCES

Note: Earlier versions of this site cited California Corporations Code §5511, §5222, and §5231 (which apply to nonprofit public benefit corporations). PSIA-AASI Western Region is a nonprofit mutual benefit corporation, so the correct citations are §7511, §7222, and §7231. The substance of the law — member rights, due process protections, and fiduciary duties — is identical between the two sets of provisions.

THIS NOTICE IS NOT FROM THE BOARD

This site and meeting notice are issued by the petitioning voting members of PSIA-AASI Western Region — not by the Board of Directors. We are exercising the right granted by California Corporations Code §7511(c): the First Petition was delivered on March 31, 2026; the Board did not issue notice of a compliant special meeting within the time required by law; the petitioners' right to call the meeting was therefore triggered.
